

## **A (selected) sample of teaching evaluations**

"Sam is a phenomenal TA!! He excels at breaking down complicated topics without presenting them in overly simplistic terms. In general, I really appreciated the effort he put into this course. Both the problem sets and exercise sessions were varied and interesting"

"Sam was a great TA and very helpful! I liked that the course was interactive and that he fostered a friendly environment to apply what we learned in lecture."

"Sam was a very funny and engaging and kind tutor. Very likeable and explained well. He is super helpful to students."

"The sessions were very well taught and I appreciated that we learned interesting material beyond class."

"Samuel did prepare a lot for this exercise, he answered the questions regarding the lectures and exercises, and he designed the review sessions following the lecture contents. I appreciate his kindness and expertise."
